

Blessed Lake Tour

Monk blessing and boat trip

This tour offers you a glimpse into the life on one of the communities on Tonle Sap as well as a blessing from a Buddhist monk.

Next to Roulus group temple site lays the active Lolei pagoda. This is where you will make the trips first stop to get blessed by the monks before you are heading out on the lake. The boat trip takes you through the submerged forest all the way to the village of Kampong Phluk where you will eat lunch and get a view of the life on the lake. This is actually a cluster of three villages with the buildings resting on 6 meters high stilts driven down in the lake bottom. Kampong Phluk doesn't see so many tourists and it is good place to visit if you want to see how a fish economy based lake community lives
