

Combination Tour

If you have the temple pass

This tour have mix of remote temples, historical information and nature.

The tour will take you out on the beautiful Cambodian countryside and includes a visit to the small temple Banteay Srey which has some of the finest examples of classical Khmer art. After the visit to Banteay Srey the trip continues to Kbal Spean where you after a 2 km uphill walk in the jungle will arrive at a small waterfall and the river of a thousand lingas. Next stop, located near Kbal Spean is Angkor Center for Conservation and Biodiversity which is the first nature center in Cambodia and their aim is the rescue, rehabilitation, breeding and reintroducing of threatened wildlife combined with an environmental education program. The last stop on this tour is the Landmine museum where you can view an expanded exhibition displaying information about the conflict and a variety of defused mines, an on-site orphanage, rehabilitation centre and a training facility.

This package includes visits to:

Banteay Srey

Kbal Spean

ACCB

Landmine Museum
