

Golf

Phokeetra Country Club

Siem Reap has two golf courses and Phokeetra located 16 km outside Siem Reap in Pouk district was the first international-standard golf course. Designed by V Golf Design and it's a 18 hole 72 par course spread over 155 hectares. The area includes separate pitching and putting greens, driving area, pro shop and a restaurant. The course provides with a good mix of tricky par 3s, individual par 4s and par 5s which require a combination of technique and power shots.

Practical Information

Phokeetra Country Club have trained English, Thai and Japanese speaking caddies that will accompany players in electric powered golf carts.

They also provide with equipment rental, golf carts , shoes and have locker room facilities with complete washing and grooming amenities.

The course is a combination of paspulum grasses which allows all year around golfing.

How to get there

The country club is reachable by moto, tuk-tuk, car or van.

They also have air conditioned mini buses ready to shuttle guest to and from the golf course.
