

Remote Temple Tour

Temples not included in the Temple pass

This is a full day trip that will take you to less visited temples deep into Cambodia and way back in time.

This early day starts with a 3 hour long drive out on the countryside and into the jungle where you finally will arrive to the Koh Ker temples, for a short period this was the capital of the Khmer empire. The most impressive ruin of the complex is Prasat Thom (Big Temple), an imposing 7-tiere pyramid. On the way back from this site you will stop at the quiet and beautiful Beng Melea temple which is overgrown like the famous jungle temple Ta Prom, but it is very lightly touristed. This gives you excellent photo opportunities.

This package includes visits to:

Koh Ker

Beng Melea
